

The Total Economic Impact™ Of The Plex Smart Manufacturing Platform

Through a customer interview and data aggregation, Forrester concluded that the Plex Smart Manufacturing Platform has the following three-year financial impact.

ROI
412%

BENEFITS PV
\$5.29M

NPV
\$4.25M

PAYBACK
<6 months

Plex has eliminated the silos of warehousing, manufacturing, maintenance and customer service. With total visibility for everyone in the operation, it makes our goals crystal clear, because the timing and interdependencies of inventory, production, [and] maintenance to customer success are right there.

VP of IT and ERP, food manufacturer

Composite Organization

CHALLENGES
before Plex

Stockpiled inventory to not run out of stock and miss production deadlines

Poor visibility within the end-to-end manufacturing process

A lack of visible production data allowed manufacturing inefficiencies to run unchecked
